

**RESOLUTION #15-143**

**RESOLUTION ALLOWING THE WOODBURY SCHOOL BOARD  
TO DISCONNECT A WATER MAIN CONNECTING EVERGREEN  
AVENUE AND N. BAYARD AVENUE AS PART OF  
THEIR PARKING LOT PROJECT**

**WHEREAS**, the Evergreen Avenue School is current undergoing a significant upgrade to their parking lot, student drop off and overall site plan; and

**WHEREAS**, during construction a 6" City water main was uncovered that runs from Evergreen Avenue through the school grounds, under the school at one point, and connects to North Bayard Avenue; and

**WHEREAS**, the Woodbury School Board has requested that they be permitted to disconnect the line which will result in substantial savings in their construction costs; and

**WHEREAS**, the line was installed prior to the development of Rugby Place; and

**WHEREAS**, when Rugby Place was developed, it included installation of a water main connecting through to Hunter Street; and

**WHEREAS**, due to the Rugby Place main connection, the line the school uncovered has been determined to be not necessary; and

**WHEREAS**, the City Engineer has recommended that the Woodbury School Board be permitted to disconnect the old line running from Evergreen Avenue through the school grounds to North Bayard Avenue.

**NOW, THEREFORE, BE IT RESOLVED**, by the Mayor and Council of the City of Woodbury that:

1. The Woodbury School Board is hereby authorized to disconnect the 6" City water main running from Evergreen Avenue, through the school grounds, and connecting to N. Bayard Avenue; and
2. The City reserves the right to require to the Woodbury School Board and/or to itself reconnect said line in the event the City determines it necessary or desirable.

**ADOPTED** at a regular meeting of the Mayor and City Council of the City of Woodbury held on July 28, 2015.
