RE: Annual Report of Taxes Not Collectible

In accordance with N.J.S.A 54:4-91.1, I herewith submit the following list of property taxes which I believe are uncollectible for the year 2013 / 2014:

Block / Lot	Amount	Year
Paul L. Jones 48 Bellevue Avenue Woodbury, NJ 08096	\$1,000.00	2013

In April 2013, Mr. Jones came in to make a payment to avoid tax sale for 2012 delinquent charges for water / sewer and taxes. He questioned the amount and was indecisive whether to pay \$1,000 or \$2,000 on the account. We issued him a receipt for \$2,000, however, he decided to pay \$1,000 instead. Our cashier did not take back the original \$2,000 receipt. When the account was not paid before the tax sale, Mr. Jones received the delinquent notices he came in to discuss the payment of \$2,000 and showed me a receipt. I decided to put the \$1,000 in "special charges" which takes it off his regular account while I investigated it. The remainder went to tax lien, which has since been redeemed. After our state investigation for the missing funds, it casts doubt on this balance.

2014 - **NONE**
