

# YARD DEBRIS COLLECTION REMINDERS

## What is Yard Debris

The Public Works Department collects Yard Debris on Mondays each week, unless the week is operating off a Holiday Schedule. Yard Debris consists of grass, weeds, brush, and tree parts.

## What Isn't Yard Debris

Dirt, rocks, sod, and dog waste will not be accepted in yard waste containers. Do not co-mingle yard waste with trash. All yard debris accumulated from contracted services must be removed by the company performing the service.

## Bundle & Tie for Pickup

Branches should be cut to 4 feet in length and bundled with rope/twine. Logs should be cut in lengths of no more than 2 feet and stacked between the curb and sidewalk.

## Bag it Right for Pickup

Residents can place their leaves, grass, clippings, sticks, twigs, and garden clippings in a trash/recycling can no larger than 30 gallons, which must not exceed 50 lbs in weight, as well as paper bags.

## How it Won't be Picked up

Yard debris will not be collected if it is put out for pick up in a plastic bag or placed at the curb.
